The Emergency Medical Services for Children (EMSC) Program thanks the thousands of EMS practitioners and administrators – including paramedics, emergency medical technicians, 911 dispatchers, EMS medical directors, EMS directors, and EMSC program managers – who have worked at the community, state, national, and federal levels to improve the care provided to children in the emergency setting. For more than 30 years, EMS has stood strong for children, caring for them when they are most vulnerable, and supporting their families in their darkest times. We honor you for your continued dedication to our nation's children and their families, and we renew our commitment to you.

This publication was supported by a grant from the Emergency Medicals Services for Children (EMS-Children) Program, Maternal and Child Health Bureau, Health Resources and Services Administration.

THE PEDI TIMES

PEDIATRIC EDUCATION SURVEY

Pedi Expo 2015
October 27, 2015

The Section of EMS, EMS-Children Program, and the Arkansas Children's Hospital Emergency Department have collaborated on a brief survey. This survey is an effort to identify some specific areas of need regarding Pediatric emergency care. The survey is available through the link below.

<https://www.surveymonkey.com/s/Pediatric-Education>

The information will be used to provide additional Pediatric educational opportunities in the future. We would encourage all EMS providers to take a few moments to complete the survey.

Pediatric Simulation Program

The EMS-Children Program continues to offer simulation events for EMS services. These events are conducted at the EMS service and involve a real-time scenario. If you are interested in having an event conducted at your service, please contact Jack Hill for more details. Jack Hill may be contacted at 501-280-4902 or at jack.hill@arkansas.gov.

PEDI EXPO 2015

"Energy and persistence conquer all things."

Benjamin Franklin

The 2015 PEDI EXPO is planned for October 27, 2015, in Little Rock, AR. This will again be a full day of presentations on Pediatric related Pre-Hospital topics. It will be held at Camp Aldersgate in Little Rock, AR. More details are forth coming, so please keep a look out for more information.
